

We need YOU and your TOOLS!
**Tools are guaranteed to be returned in as good
or better condition!**

As well as volunteers we also need to borrow tools for the playground build week. We guarantee that your tools will be returned in as good or better condition than we received them, or we will replace them. That's a promise, we have funds set aside for tool replacement and repair and we will be using our own drill/router bits and saw blades. In addition, we have arranged for 24 hour security on our tool trailer.

Tools may be dropped off at J&H Heating, 1220 Mineral Springs Drive, Port Washington.

All tools will be identified as to ownership. Tools will be locked up when not in use.

All tools are required on site through Sunday, September 21st.

Tools may be picked up after 6:00 p.m. on Monday, September 22nd or Tuesday, September 23rd

If you can lend us tools, print this sheet and circle the items you can provide. The numbers immediately to the right of the tool are the number of each item needed. (We will assume you can donate one of each item circled unless you note otherwise.) Then enter your name, phone #, and e-mail address and fax to Jeff Mayer (262)284-3389 or Sid Arthur (262)284-9544, mail to Jeff Mayer, 1220 Mineral Springs Drive, Port Washington, WI 53074 or Sid Arthur, 1104 Niesen Road, Port Washington, WI 53074, or e-mail to jhjeffm@sbcglobal.net or sgtguns@sbcglobal.net. If you know a person or business who might be able to donate any items, please help us contact them.

Any questions, call Jeff Mayer at

262-377-2610 Ext. 12, or Sid Arthur at 414-350-8215.
